

Rules and regulations for using the temporary storage at CC student hostel

ELIGIBILITY

1. The temporary storage is only made available for the current residents of the hostel to temporarily keep their luggage, which are expected to be used for the next academic year, over the summer. Residents need to put the name and room number on each of the luggage.
2. Discretion could be made for students who are assigned a place in another hostel in the next academic year, provided that there are still space available.

CONTENT & LIABILITY

3. **Students are responsible for keeping their belongings safe and tidy, no valuable stuff, electronic devices, lithium and other batteries, flammable objects, compressed gas or important document like passport and travel document should be kept in the temporary storage.**
4. **The hostel will not be liable for any loss or damage to the luggage temporary stored here, no security measure other than locking the room up will be provided.**

CLAIMING

5. The temporary storage room will only allow residents to store their belongings starting April while checking out, and claim in early September when checking in. For security reason, the room will be locked and no claiming will be allowed after storing belongings, until the early September.
6. This room will be open **starting 4 pm on Sunday, 6 September 2026.** Please come to claim your belongings as soon as possible. We are not responsible for any loss or damage caused.
7. This room will be cleared on **19 September 2026.** Objects left there will be disposed, and resident will be charged for the disposal handling fee.

ATTENTION

Starting Sept 19, luggage uncollected will be handled as trash and dumped or recycled accordingly. Residents concerned will be charged HK\$1,000 as handling fee and their future application for hostel place will be affected.
