## NOTICE From Student Hostels Committee

# Review on Hostel Point System 2026/27

The Committee reviews the hostel point system every year. With the help from student representative last year, the points for all areas in the hostel point table were reviewed via the web mapping service of Google Maps and points of some districts were adjusted after students' feedback. Below are the principles lately adopted by the Committee:

1. Reference route : basically the fastest route recommended by Google Maps will be chosen as reference, if there are more than one routes with similar travelling times, the route taken by most residents will be chosen;
2. Points : it would be calculated by dividing the number of minutes needed for transportation by three (except those for the Islands and overseas districts);
3. Individual differences : the points apply to all applicants who live in the same district. Significant variation in walking time or individual special circumstances could be stated in the application for Personal Reason Special Selection.

If there is any comment on individual item, or any new information on transportation and routes, please send to [ccc\\_hostel@cuhk.edu.hk](mailto:ccc_hostel@cuhk.edu.hk) with title "hostel point review" before **November 30, 2025**. Information received after the date mentioned above may not affect the hostel point to be used in application for hostel in 2026/2027. Thank you!
